To,

The Hon. Minister

M I B , Delhi

Sub :- Complaint against unregistered / unauthorised M S O ,
operating in Nashik, Maharashtra.

Sir,

We , The Local Cable Operators of Nashik, Maharashtra taking signal feed from the Multi System Operator namely Den Discovery Digital Pvt.Ltd. and Den Premier Multi link Cable Network Pvt Ltd., request your goodself to look into the grievances and hardship faced due to **Unregistered / unauthorized** Multi System Operator operating in Nashik.

Sir, The above mentioned MSO are operating in Nashik, Maharashtra, without having a valid license from the Ministry and they are not Registered with the local administration, as is evident from the reply to R T I filed and yet Operating and collecting money from the members of association. Some members had filed

A complaint with the ministry and were directed to file complaint with DM/SDM/ Police Commissioner. As directed by the ministry complaints were launched with the above mentioned authorities but till date no action is taken against the unregistered MSO

Sir, The above mentioned MSO's deactivates The Signals causing great discomfort to the consumers and even on 15th August many consumers were deprived of the programmes due to high handedness of the said MSO. Few of the members had to approach Hon.TDSAT for justice and we have also filed a Petition, W P 6903 /2013, in Mumbai High courts against the above mentioned MSO. Sir, It is extremely difficult for the operators to travel to Delhi to attend the hearing of TDSAT, while the unregistered MSO is going unchecked.

The additional collector / Nodal officer is well Aware of the facts that the Said M S O is unregistered and does not have a valid license And yet operating in Nashik. Sir, On behalf of the members of the association I request you to look into the matter.

Thanking you

Yours

Anil Shridhar Khare
